

Dear Dremel Customer:

We want to thank you as a valued customer for using Dremel Tools. In order to be certain that your Dremel product is repaired at minimal costs for parts and labor by Dremel factory-trained personnel, we request that you return your Dremel tool directly to one of the following authorized Dremel Service Centers:

DREMEL SERVICE CENTER

4915 21st Street
 Racine, WI 53406
 (262) 554-1390
 (800) 437-3635
 FAX: (262) 554-4389

DREMEL AUTHORIZED SERVICE CENTER

4631 E. Sunny Dunes
 Palm Springs, CA 92264
 (760) 327-3003
 (800) 275-2052
 FAX:(760) 322.3972

When forwarding your tool, please carefully package the **tool only** (not the kit box or accessories if a corded tool). If sending a cordless tool, please include the **tool, charger & battery**. Be sure to include a copy of your dated proof of purchase, a written statement describing the problem, and your name, address and daytime phone number. We recommend that the package be returned **insured** against loss or in-transit damage for which we cannot be responsible.

We are listing the maximum charge for repair of products that are **out of warranty**. If the repair is of a minor nature, the charges will be based on parts and labor (time) which would result in a lower charge.

Shipping & Handling charge is \$4.00 for rotary tools and \$12.00 on saws
