

DREMEL VERSA FACT SHEET

As the brand's first-ever powered cleaning tool, the Dremel Versa is a handheld, cordless device designed for a variety of deep-cleaning applications. With 2,200 RPM of rechargeable power, the Versa takes care of stubborn household messes and minimizes the amount of manual effort typically required in heavy-duty cleaning. The tool comes with four easily interchangeable accessories that can be used to clean everything from car tires and patio furniture to kitchen pans and stove tops.

Dremel Versa Kit at a Glance:

- PC10-01 4V Max Dremel Versa Power Cleaner
- White Melamine Eraser Pad for gentle multi-purpose applications
- Blue Non-Scratch Pad for surfaces that need extra scrubbing
- Bristle Brush for getting into small and tight areas
- Brown Heavy-Duty Pad for those grimy and stubborn stains

Dremel® Versa Product Features and Strengths:

- Fastest cleaning tool with 2,200 RPMs that does the hard work so you don't have to
- Rechargeable lithium-ion battery provides superior and consistent speed to tackle jobs anywhere
- USB adapter provides the fastest charge so the tool is ready when you are
- Accessory changes are quick and easy with the hook and loop system and retractable splash guard, allowing an easy switch between indoor and outdoor, and dry and wet applications
- Compact and ergonomic design fits comfortably in one hand, while textured soft-grip offers comfort and control even in tight spaces

Dremel Versa Top Applications At a Glance:

- Car Wheel Hub (Bristle Brush)
- Shower Glass Door and Tubs (White Melamine Eraser Pad)
- Shower Tile Grout and Sink Faucets (Bristle Brush)
- Metal Patio Furniture – Rust Removal (Heavy Duty Brown Pad)
- Stove and Countertops (White Melamine Eraser Pad)
