

DREMEL STYLO+ FACT SHEET

As the brand's first-ever tool designed specifically for crafters, the Dremel 2050 Stylo+ Versatile Craft Tool is an approachable, sleek and lightweight rotary tool ideal for Makers of all skill levels. Weighing in at just 6.8 ounces and crafted with the comfortable ergonomics of a pen, the Stylo+ empowers users to etch, engrave, carve, polish and sand with ease. Its comfortable grip, sleek lightweight design, and 6.5-foot power cord are ideal for longer work sessions and maximum control, yielding the best results. The well-designed tool enables crafters to work with concentrated precision without experiencing fatigue.
